THANK YOU

Another year has passed. We acknowledge with thanks our gratitude to you for business placed here in 1918. It is a privilege to be entrusted with your orders. The best goods and the quickest service shall always be our aim. You must be pleased with our goods and our methods else we can not prosper.

For the year 1919 the Aim of this establishment shall be to render a service to Nurserymen and Florists second to none. Our stock must be right, our prices fair and our shipments so prompt that you will not be disappointed. We again ask for your continued orders. To those who have not sent us orders we invite you to give us at least a portion of your business this year.

TERMS, ETC.

How to Ship—When ordering always specify whether we shall ship by freight or express. Also give us the route if possible. When no directions are given we will use our best judgment as to how to ship, but in no case will we be responsible after goods are consigned to purchaser. When losses or damage occur while goods are in transit, either from delay or otherwise, make claim at once to forwarding Companies.

Terms—Terms of payment are cash or security before shipment. The usual terms of credit will be accorded to established firms, who if not known to us will please forward references. C. O. D. orders must be accompanied by one-fourth the amount of the order in cash.

Discounts—Three per cent discount is allowed on cash with order. Two per cent discount for cash in 10 days from date of invoice. All accounts due June 1st.

Prices—Prices are for the Spring 1919. This list supercedes all other lists and is subject to change without notice. Five plants of a variety will be supplied at the rate per ten—fifty at the rate per hundred—five hundred at the rate per thousand.

Claims—Claims for deduction must be made within one week after receipt of goods.

Packing—Prices in this list are Net; cost of Boxes, Bales, etc., will be added.

Guaranty—While we exercise the greatest care to have our trees and plants true to label, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty expressed or implied, and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the trees.

Special Prices will be made on large lots of a general assortment. Send us your list stating quantities desired.

Boxing Charges—Charges are made as low as possible for well made boxes, paper lined.
